Admin Only Service, referencing, Tenancy Compliance, Tenancy Agreement and inventory - £700 Deposit Registration charged Annually

Providing documentation for Section 8 Possession notice: £300

All fees are inclusive of VAT and are reviewed annually in March for implementation from 1st April each year, in line with our published Terms of Business.

Due to recent legislative changes affecting residential tenancy possession procedures and compliance requirements, including changes to the grounds upon which possession may be sought, we are currently updating certain operational processes and landlord documentation.

We remain able to assist administratively and provide tenancy documentation held on file. However, in some circumstances independent legal review or specialist instruction may now be recommended before possession notices are served. Updated guidance and revised terms documentation will be issued shortly.
